

Plunge Pools

The Montego Bay

Reminiscent of your favorite tropical resort, the Montego Bay pool provides ample refreshment, tranquility, and relaxation. As our most compact plunge pool option, it is perfect for couples, small parties, and virtually any yard layout.

The Key West

The Key West pool offers the perfect combination of size and fun. Bring the lush, lively, relaxing atmosphere of the Keys to your own backyard. This pool is designed to delight all your guests and to optimize the additional entertainment space in your private backyard oasis.

The Santa Monica

Inspired by award winning pools nestled into the slopes of California's coast, the Santa Monica flows perfectly with our rolling Southeastern hills. This spacious plunge pool is an ideal fit for families who want to maximize the fun and be steps away from a sun filled vacation.
